From Our Pastor

Dear Church Family,

We are getting through this long, unusual summer 2020. Normally, these are vacation times and preparing for back to school. August is the month when we have our ice cream fellowship about a week before school would start, but not this year. As we continue our COVID-19 schedule, do your part to help bring the cases, hospitalizations, and deaths down. Recently, we have seen a decrease in cases, but the count is still high. We hope to see a sustained downward trend this month, but that will only happen if everyone cooperates by observing the protocols.

Please remember during these summer months to tithe consistently and give to United We Build. If you have chosen to isolate yourself at home, you may give by mailing your tithes and United We Build offerings to Cedar Bayou Baptist Church, 3116 North Alexander Drive, Baytown, Texas 77520. You also have the option to give online by going to www.baytownchurch.com, select the "Resources" tab, and then select "Giving." If you are attending in-person worship with us on Sundays at 10:15 a.m., you can drop your offerings in the wood offering box as you enter or exit worship.

You can find the Sunday school lesson on our Facebook page each Sunday at 8:30 a.m. I want to thank Larry and Sandra Washburn for teaching that lesson each week. Bill Adams receives their recording and loads it to our Facebook page so that you can tune in. Bill and the rest of the media team broadcasts our morning worship live every Sunday at 10:15. Jimmy Poepsel stays after church to record the service for those who don't have computers or electronic devices at home. Stephanie Gregory mails those DVDs to those people each week. Thank you to Karol Waldman and all of our food pantry volunteers! That group has been consistent since the pandemic began, taking only a few breaks. The food pantry is open each Wednesday.

I hope all of you have a safe and productive August. As you feel comfortable enough in the future, I hope to see many more of you transitioning back to in-person worship. As we have learned from 1 Thessalonians, we need each other for the battles of life.

God bless you,
Bro. Mark

T.O.A.D.S

I sure do miss all of you!!!!

Oh, my goodness, I cannot believe it is August already and that being said, some of your children will be starting the new school year this month. It surely is a crazier time, then when we were in school. Who would have ever thought that it would come to the point, where our children will be required to wear masks to school? No electives to go to for a change of scenery or to run off some energy. Staying in the same room all day and eating lunch in there as well.

As some of those parents who are excited for their child to attend school and other parents who are scared to send their child to school, and the remaining parents who will be teaching their children from home; please remember this is difficult for your children as well...remember those kids have been cooped up since March, not being able to spend time with friends. We have all had to make adjustments. For now, we will continue to make more adjustments, until we can get ahold of this pandemic.

Please keep on praying for healing!

Shawn Werley

"Nevertheless, I will bring health and healing to it; I will heal my people and will let them enjoy abundant peace and security." ~ Jeremiah 33:6

The Ark Preschool

The nursery is open during church services. We would love to care for your kiddos while you enjoy worship! Every week we plan a lesson and crafts for your kiddos to learn more about Jesus.

We look forward to being able to open up fully as we were in the past. Times sure have changed! We are ready to see a downward trend in Covid cases so we can get back to our normal schedule! We miss seeing all of our kiddos and parents multiple times a week.

Stephanie

Warm sympathy extended to:

Please remember Faye Henry and family upon the passing of her brother Lamar Hebert.
