## From Our Pastor

Dear Church Family,

When you attend church, remember to enter and exit through the front glass doors facing the children's play area, and use the automatic hand sanitizers. Place your tithes and United We Build offerings in the varnished offering box as you enter the worship center. You still can give online or by mail.

We are planning to ease back to Sunday school on **June 7**, for those of you who feel comfortable. Tomas will be spreading out chairs in your classes or taping rows off to insure proper social distancing. Teachers will want to stand or sit at least 6 feet or more from the class while teaching. Just keep this in mind as you prepare to return, and, if at all possible, we are all urged to wear a mask. Teachers can remove their mask to teach since it is difficult to speak clearly for everyone to hear. We plan to watch the Sunday school for a few weeks to see how it goes. The nursery will also open on June 7 and Stephanie Gregory is making preparations.

In the middle of this COVID distraction, we want to honor our 2020 graduates from high school, college, or trade school. If you, your child, or grandchild is a church member and just graduated from an institution of learning, please email or call Stephanie Gregory in the church office. We need a photo and all the information about where they graduated (or from where they had planned to graduate), their degree (if applicable), and future plans. Please get that information to Stephanie by June 10. We want to honor our graduates on Sunday, June 14.

We will honor our fathers Sunday, June 21, Father's Day. We will hand out gift cards to the following fathers present in both Sunday school and worship: the oldest father, the youngest father with a child present in Sunday school, and a random drawing.

God bless you,  
Bro. Mark

## T.O.A.D.S.

Hello all!!! It has been great to see some of you during Sunday morning worship. Hoping in the next few weeks, everything will be back to normal and our church will thrive.

Not sure on the do's and don'ts for the next three months, but if willing, I do have a couple of activities in the works during summer break. As of now, I do plan on having VBS, either late July or early August. More details will come, as we see where we stand during this pandemic.

I know for some of you during this time has been total chaos, but I really do believe in my heart God was telling us to slow down. We as adults get so busy in our everyday life that we forget to take time out and all eat at the dinner table, to play board games as a family, to let the little ones help us cook, go over old pictures of your grandparents and great grandparents and explain to them who and where your family are and from, and learn how to put the phone DOWN. We need to realize our kids are only little once and time is not going to stop for us. We need to live life to the fullest and enjoy family time together. And, just maybe this was a time for some of you to self reflect; to see where you stand with God.

Something to remember during this time:

2 Corinthians 12:8-10 - Three times I pleaded with the Lord to take it away from me. But he said to me, "My grace is sufficient for you, for my power is made perfect in weakness." Therefore I will boast all the more gladly about my weakness, so that Christ's power may rest on me. That is why, for Christ's sake, I delight in weakness, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong.

I love each and everyone of you and can't wait to be able to give my hugs and kisses.

Shawn Werley
